## Education

### Leibniz Universität Hannover : 2023.9 - PRESENT

- PhD : Economics
- Topic : Functional time series analysis for energy data

### Shandong University of Technology : 2020.9-2023.6

- Master : Applied Statistics
- Thesis : A study on clustering algorithms for multi-view data

### Shandong University of Technology : 2016.9-2020.6

- Bachelor : Mathematics and Applied Mathematics
- Thesis : Locally repairable codes and its application

---

## Giving Lectures in LUH

- Time Series Analysis
- Advanced Time Series Analysis
- Computer-intensive Statistics

---

## Research and Writings
